Become a Stowe Land Trust Explorer!

The Stowe Land Trust Explorer's Adventure is a great way for kids and families to experience some of Stowe's beautiful conserved land.

Use this Explorer's Map as a guide to four SLT owned properties: Mill Trail, Wiessner Woods, DuMont Meadow, and Kirchner Woods.

Answer questions, draw observations and check off the boxes on your Explorer's Map as you visit each property.

Become an SLT Explorer when you complete your map and turn it in at the SLT office.

Explorers will receive a free SLT family membership and an exciting prize!

SLT Explorers will be recognized at the SLT Annual Celebration in September each year.

One prize per participant, please.

Happy Exploring!
