

Summer Naturalist

Stowe Land Trust, Stowe, VT

Stowe Land Trust (SLT) is a member-supported, non-profit, land conservation organization dedicated to the conservation of scenic, recreational, and productive farm and forest lands for the benefit of the greater Stowe community.

This position is part of the Vermont Housing & Conservation Board AmeriCorps (VHCB AmeriCorps). The VHCB AmeriCorps program supports the innovative dual-goal approach to creating stable affordable housing opportunities for Vermont residents while preserving the natural and working landscape. VHCB AmeriCorps is a national service program that places members with non-profit housing or land and energy conservation organizations around the state.

The Summer Naturalist provides learning opportunities that inspire local citizens to engage with their natural world and foster a love and appreciation for the land. The Summer Naturalist will bring expert knowledge of the natural world and outdoor spaces in Stowe and will partner with local schools, camps, and other organizations to provide time for kids to explore outside with Stowe Land Trust and with their families by leading outdoor education programming and creating public events on SLT conserved lands.

Essential Functions:

- Schedule, develop, and deliver education programs and service-learning opportunities for the public, school groups, day camps, and other groups as part of SLT's Naturalist Program.
- Assist with SLT's stewardship program including recruiting, coordinating, and managing volunteers and completing annual stewardship tasks on SLT properties.
- Maintain accurate and timely program, stewardship, and volunteer records.
- Create content for SLT program's print, web, and social media outreach efforts.
- Represent SLT at various public outreach events.
- Participate in an Independent Service Project under the guidance of VHCB AmeriCorps
- Participate in all VHCB AmeriCorps Trainings, Service Days, Events, and Program Initiatives.
- Engage in professional and personal development activities and networking opportunities.

Desired Qualifications:

- Experience teaching children, preferably in an outdoor or alternative education setting, and/or a BA/BS in a relevant field.
- A strong interest in conservation, Vermont natural history and the environment. Knowledge in topics such as core routines of nature connection (sit spot, journaling, mapping, etc.) and natural history topics (birding, environmental sciences, animal tracking, wilderness living, climate change science, animal behavior, botany, geology, etc.)
- Strong group management skills and the ability to lead, coordinate, and direct a group of up to 30 children and adults on education programs and as volunteers.
- Love of outdoor exploration and comfort walking and navigating on and off trail in the woods.
- Ability to serve independently while maintaining open communication with supervisor. Self-starter.

VHCB AmeriCorps

- Excellent people skills. Be outgoing and tactful. Have a positive and collaborative attitude.
- Attention to detail and excellent organization and time management skills.
