

Every day, access to trails, and scenic views and working farms are lost to new development. Stowe Land Trust was formed in 1987 to address this growing issue and its mission from day one has been to conserve scenic, recreational and productive farm and forest lands for the benefit of the greater Stowe community. Since its creation, Stowe Land Trust has protected over 3,000 acres of land, which provide you with access to waterfalls and swimming holes, scenic vistas, and places to hike or bike. These places allow you to experience Stowe's essence and begin to realize the tight connection we, as a community, share with our natural landscape.

STOWE LAND TRUST

OUR ONE-OF-A-KIND EXPERIENCE RELIES ON A ONE-OF-A-KIND PLACE.

Like nowhere else – Stowe. In the heart of the Green Mountains, this gem of a community – with its picture-perfect village and easy Vermont style offers a grand definition of alpine spirit. All set against a remarkable backdrop of pristine mountains, open fields, quiet woods and clear water. This breathtaking landscape defines what guests like you come for. It's also worth protecting for generations to come.

THE FOREVER

Stowe Partnership

Topnotch Resort and Spa, an idyllic Vermont country retreat, has joined forces with Stowe Land Trust, a local nonprofit conservation organization, in an effort to protect Stowe's awe-inspiring landscape and vibrant community.

The Forever Stowe Partnership program allows guests to participate in conservation efforts during their stay simply by staying at Topnotch.

A \$1 nightly donation, supplemented with an additional \$1 nightly donation by the hotel, will go to Stowe Land Trust, an organization dedicated to conserving scenic, recreational, and productive farm and forest lands for the benefit of the greater Stowe community.

A LEGACY OF COMMITMENT TO OUR COMMUNITY

The success of Stowe Land Trust is tied directly to its members and those who make contributions to support its land conservation efforts. An integral part of the local fabric for more than 60 years, Topnotch Resort and Spa is proud to give back, and has committed to helping Stowe Land Trust conserve and steward Stowe's spectacular landscape by advocating your \$1 nightly donation, supplemented with an additional \$1 nightly donation by the hotel. This contribution will go a long way to help protect the places we all cherish in Stowe.

Topnotch made this commitment with the confidence that you would feel pride and satisfaction that your stay here helped protect the well-being of Stowe's special places. If you would prefer not to participate in the Forever Stowe Partnership program, and would like the charge removed from your bill, simply inquire at the Front Desk and we will remove this donation.
